To Whom It May Concern:

**Letter of Recommendation – Jason Huang**

We are fortunate to have Jason as our agent and be in the same development as him, plus having him on the HOA board which made our transaction even easier. He provided a wonderful service that we would recommend him to our friends and family.

Jason is professional, friendly, efficient, hard working, honest, knowledgeable and very experienced in what he does. On the day that we listed our condo, he put our condo on MLS listings with virtual tour and photos. He also goes out of his way to get things done even if it's 10:00 at night. He was informative and helpful through out the whole process. You can depend on his opinion base on his experience and knowledge in the real estate market. He is a great agent.

We would definitely use Jason again for any future real estate needs.

Sincerely,

S. Yu
