

Amy represented us to buy our new home and sell our old home. We met her at an Open House and I knew instantly that she was kind and understanding, very professional and just a fun person to be around. All great traits for a realtor. Buying and selling homes is stressful enough, but with Amy, it was a great experience. If it wasn't for her we wouldn't have purchased our beautiful home in Almaden Valley or sold our old house in a little over a week.

In addition, Amy's assistant, Reggie, is very professional, always returns calls and emails and is very easy to talk to. The office in Los Gatos is beautiful and comfortable.

Amy is enthusiastic and reassuring, she really knows real estate and what it takes to find a home.
