Larger Landlord Tenant Criteria <https://daveosbaldeston.com/TC>

This disclosure outlines the tenant screening criteria for larger-landlord rental properties managed by Oz Realty, in compliance with California law (Civil Code § 1950.6 / AB 2493). These criteria apply to all rental units (apartments, houses, ADUs, and other dwellings) when the property has three (3) or more dwelling units across a maximum of two (2) buildings. Before applying, please review the following detailed information regarding our objective screening process and requirements.

Screening Model and Application Process

Oz Realty utilizes a “strongest applicant” model for tenant selection. There are no application or screening fees charged to applicants. All applications received are carefully reviewed, and the applicant who best meets the stated criteria will be chosen. In the event that multiple qualified applicants have similar qualifications, the following tiebreakers are applied in order:

- Highest income above the minimum requirement.
- Strongest landlord references.
- Willingness to accept the listed monthly rent and proposed lease duration.
- Earliest move-in date within a 15-day window of the application date, or first available date.

Applicants who are not selected will receive a written notice explaining the decision within seven (7) days of final selection, or within thirty (30) days of application submission, whichever comes first.

Minimum Qualification Criteria

All applicants and co-applicants must satisfy each of the following criteria to be considered:

Income Requirements

The combined, verifiable gross monthly income of all applicants must be at least three times the monthly rent. Proof of income is required and will be determined by the landlord.

Credit History

- Minimum credit score of 700. The primary income provider — the applicant whose verifiable income is the largest share of the household qualifying income — must meet this minimum.
- Applicants must demonstrate a consistent history of meeting financial obligations as shown on credit reports.
- No open bankruptcies are permitted.
- No unpaid non-medical collections or charge-offs exceeding \$2,500 within the past thirty-six (36) months are allowed.
- Applicants lacking traditional credit may qualify by providing at least twelve (12) months of verifiable, on-time rent or utility payments, or by having a qualified co-signer.

Rental or Homeownership History

- No prior evictions or unpaid landlord judgments within the past seven (7) years.
- Applicants must supply positive, verifiable rental or homeownership references for the past twenty-four (24) months, when applicable.

Criminal Background

Individualized assessments are conducted for all applicants. Automatic denial applies only to convictions involving violent felonies, registered sex offenses, or the manufacture/distribution of illegal drugs within the past ten (10) years.

Occupancy Limitations

Oz Realty maintains reasonable occupancy standards for each rental unit. These standards are based on the specific physical characteristics of each unit and are applied uniformly without regard to any protected class under federal, state, or local fair housing laws.

General Guidelines (subject to reasonable accommodation requests):

- 1-bedroom units: Maximum 2 occupants + 1 assigned parking space
- 2-bedroom units: Maximum 3 occupants + 2 assigned parking spaces
- 3-bedroom units: Maximum 5 occupants + 2 assigned parking spaces plus one additional space on the street (as permitted by the HOA and City regulations)
- 4-bedroom units: Maximum 6 occupants + 2 assigned parking spaces plus one additional space on the street (as permitted by the HOA and City regulations)
- 5-bedroom units: Maximum 7 occupants + 2 assigned parking spaces plus one additional space on the street (as permitted by the HOA and City regulations)

All individuals, including infants and children, count toward the total occupancy limit. These limits reflect legitimate, non-discriminatory concerns regarding property condition, neighborhood character, infrastructure capacity, parking availability, and overall livability of the unit.

Reasonable Accommodations

Oz Realty will evaluate, on a case-by-case basis, any request for reasonable accommodation or modification to these occupancy standards as required by the Fair Housing Act and California fair housing laws. Requests should be submitted in writing with supporting documentation where appropriate.

Pets & Assistance Animals

Tenants may have one common household pet, either a dog or a cat. For dogs, the maximum allowed weight is 25 pounds (apartments and condos) or 40 pounds (single-family homes with a fenced yard) at maturity. Restricted breeds are prohibited; a list of these is available upon request.

No on-site pet relief area applies where the unit has no designated grass or yard. The pet owner must walk the animal off the property for bathroom breaks. Pets may not urinate or defecate on patios, balconies, walkways, driveways, landscaping, planter beds, or any other part of the property. The tenant must immediately clean up any accident and is responsible for damage or odor.

No monthly pet rent is charged in accordance with AB 2216. Any pet deposit required is included in the total security deposit.

Service animals and emotional support animals are not considered pets and are exempt from pet-related rent, deposits, fees, and pet-liability insurance. Tenants remain responsible for the animal's behavior. An assistance animal may be excluded or removed if it is out of control and the handler fails to act, poses a direct threat that cannot be reduced by reasonable accommodation, or causes significant physical damage and the tenant refuses to pay for repairs.

Insurance Requirements

All tenants must obtain and maintain renters' insurance with a minimum liability coverage of \$500,000. The landlord or property owner must be named as an additional insured or interested party, and proof of insurance must be provided before keys are released. If a pet is approved, tenants must also obtain pet-liability insurance of at least \$100,000 before move-in. Service animals and emotional support animals are exempt from the pet-liability insurance requirement.

Deposit

The security deposit is capped at one (1) month's rent under Civil Code § 1950.5. Any pet deposit required is included in that one-month maximum. No separate pet deposit is charged beyond that cap.

Move-In and Lease Execution

The selected applicant must be able to take possession and begin paying rent within fifteen (15) days or less of approval; earlier dates are preferred and serve as tiebreakers. The lease agreement and full first month's rent must be signed and paid within forty-eight (48) hours of receiving notice of approval.

Owner's Rights

The property owner or manager reserves the right to reject all applications and re-advertise with revised criteria if no applicant meets every minimum requirement.

(TO MAKE AN APPOINTMENT YOU MUST SIGN AND EMAIL THIS FORM)

Next Steps and Acknowledgment

I acknowledge that I have received and reviewed these tenant screening criteria. I confirm that I meet or exceed all minimum qualification criteria listed herein.

If I nearly meet one or more criteria, I understand I may contact the landlord via text or email to explain the specific area(s) where I fall short. The landlord may, at their discretion and in a uniform, non-discriminatory manner consistent with applicable fair housing laws, consider adjusting criteria if no fully qualified applicants are identified.

If I qualify and wish to proceed with leasing, I will sign and email this completed form to Dave@Oz-Realty.com. I will then text 650-678-7978 with the address of the property I am interested in and my availability for a viewing.

Acknowledgment

I acknowledge receipt of these criteria before submitting my application.
