HIGHLIGHTS OF THE MONTH

My wonderful vacation in Costa Rica

I had a beautiful trip to Costa Rica, visiting Manuel Antonio, Tamarindo, and Playa Conchal. The vibrant culture and stunning landscapes made every moment unforgettable. From the friendly locals who welcomed me with open arms to the unique and flavorful dishes I savored, every experience was a delightful adventure. Costa Rica's natural beauty, combined with nature abound, and the warmth and hospitality of its people, made this trip truly special.

These are just a few of the photos from my amazing trip. If you'd like to see more or maybe considering a visit to Costa Rica, check out my full set of photos through this link: Tracey@CostaRica.

Happy to dog-sit for my grandson's dog, Sky.

CLIENT TESTIMONIAL

Mark and Kate Shepherd

Tracey went above and beyond to help us sell our home from start until close. This was our first home to sell, and she walked us through the whole process. It was great to have a true professional who made sure that all of details were handled on time. We would recommend her highly to anyone who insists on working with only the very best!
