- **Networking Opportunities**
The key to any association is the people who comprise it. NELTA members develop lasting friendship and business relationships via committee services, receptions at NELTA events, meetings and conventions.
- **Annual Convention**
NELTA members and their families get together for three days of fun and professional development at our annual convention in June of each year. A key Board Member from the American Land Title Association in Washington, D.C. attends each convention to give members the national viewpoint on the title industry, to advise on current trends and changes, and to report on activities of ALTA on behalf of the industry. It's not only a wonderful fun-filled way to kick off the summer season, it also provides the opportunity to meet with many of the title industry leaders in an informal setting. Held at a New England Resort Hotel, we always have a terrific time!
- **NELTA NEWS**
The preeminent semi-annual publication of the land title industry, NELTA NEWS contains information and articles that keep you up-to-date on land title issues, as well as general business articles on subjects that affect everyone in real estate.
