

Sequoia Realty Services

GROWING OUR TEAM: NOW SEEKING REAL ESTATE AGENTS

Sequoia Realty Services is a unique full-service company offering clients 360 degrees of real estate services; including buying, selling, leasing, renovating and developing properties along the peninsula. We are based in the heart of revitalized downtown Redwood City in a brand-new office with residential and commercial agents, a property management team and a professional staff.

Looking for agents to join our team. Experienced agents are preferred, but we are willing to work with self-starters who are enthusiastic about learning. It is our goal to help agents create lasting relationships with their clients through superior service, industry knowledge and genuine interest in your immediate and long-term goals.

Are we a good fit for you? Joining our team won't hurt your wallet. Our agent package covers yard signs, a-frames, personalized name riders, business cards, a desk, office phone, color printer/scanner use, marketing tools (including personalized listing presentations), training opportunities with professionals to keep you updated on industry awareness, and there are no desk fees ... plus we offer competitive splits.

Find out how you can **come grow with us!**
