About American Home Shield®

What is a Home Warranty?

It's a one-year service agreement that covers the repair or replacement of many major home system components and appliances that typically break down over time due to normal wear and tear.

Whether you are buying or selling a house, moving can be hectic. A home warranty specifically designed for residential real estate transactions can give you one less thing to worry about — and help keep your home protected from the expense of unexpected covered repairs during the moving process.

What's the difference between a Home Warranty and Home Insurance?

Home Warranty

A home warranty helps protect homeowners against breakdowns. It will help protect a homeowner's budget against the costs of unexpected covered breakdowns or repairs on items in the home such as:

- Major home systems such as furnace, central air unit, electric, plumbing, and water heater
- Two of our three buyer plans include coverage on common household appliances such as refrigerator, washer, dryer, dishwasher, and oven
- There are even options for the buyer to add coverage on items such as pool, spa, and guest unit

Home Insurance

Homeowners sensibly protect their homes with homeowners insurance. In the event a catastrophe happens, the homeowners insurance will kick in to provide coverage for the structure and personal belongings inside the home.

NOTE: Home insurance policies may vary; please refer to your insurance agent for details on your home's policy.

Why should you choose American Home Shield?

With an American Home Shield Home Warranty you have access to over 40 years of industry leading expertise. Our commitment to customer service is our top priority. You can expect the best, every time.

With AHS®, you can rely on:

- Award-winning service
- Our nationwide network of over 11,000 professional home service contractors who have the know-how to get the job done right.
- The convenience of 24/7/365 service requests with 99% of such requests dispatched to local contractors within 24 hours.
- Valuable discounts from other ServiceMaster brands: Terminix®, AmeriSpec®, Merry Maids®, Furniture Medic® and ServiceMaster Clean®.
- Access to a library of custom content, tips, advice and more to help manage your home.
- Substantial discounts on air filters, and for AHS contract holders, a special discount program for brand-name appliances.

Why do I need a Home Warranty?

Benefits to Home Buyers

The question isn't whether or not a breakdown will happen; it's when. Do you have a plan in place for when they do? Our real estate packages protect your house, so you can focus on making it your home.

- Gain confidence and comfort knowing your hard-earned investment is covered by an industry leader.
- Reduce stress from potential, undetectable pre-existing conditions (like failures due to lack of maintenance and mismatched systems) — they're covered!
- Confidence in our nationwide network of professional home repair experts who we pre-screen and monitor for your safety and convenience.

Benefits to Home Sellers

When it comes to selling your home, offering a home warranty in the contract is an excellent way to entice buyers. It shows good faith and offers an assurance to buyers that the home is covered by a warranty for the first year of ownership.

- Gain confidence and comfort knowing your budget is protected while your home is on the market.*
- May help sell your home faster, for more money and with fewer worries covered.
- Help mitigate unexpected covered issues from the home inspection to help keep the sale of your home on track.

What does Real Estate Edition mean?

Buy Now for Special Product Pricing**

The Real Estate Edition product and pricing is only available while you are involved in a real estate transaction. Pricing and packages will change thirty days after closing if not purchased during the real estate transaction.

Flexibility to Upgrade

Need to upgrade or add options? No problem. Home buyers have 60 days from closing to upgrade or change their coverage options.

Seller Coverage Option*

Regardless of the warranty package selected, qualified home sellers can add the Seller Coverage Option for up to 6 months (term renewable upon request and AHS discretion) while their home is on the market. This option will help protect home sellers with the same covered items as the **ShieldEssentialSM** package, and best of all, no money is due until the home closes.

* Subject to a \$2,000 cap for all trades during listing period.

** Real estate edition product and pricing is available up to 30 days from the close of sale.

How does it work?

With American Home Shield, it's easy to get service for your covered home system components and appliances. Just follow these easy steps below when a covered breakdown occurs:

1. CONTACT US

Check your Agreement to verify the item is covered by your AHS Home Warranty. If it is, visit **ahs.com** to place a service request or call our 24/7 customer service line toll-free at 800 776 4663.

2. CONTRACTOR ASSIGNED

American Home Shield will assign a service contractor to handle your covered request. If we have your email address, we will send you a confirmation verifying the request has been received by the service contractor.

3. SCHEDULE SERVICE

A service contractor will contact you by phone to schedule an appointment time during normal business hours to visit your home and diagnose your covered item.

4. RELAX

When the service contractor arrives at your home, you pay a Trade Service Call Fee. This is a fee paid per service trade (plumber, electrician, etc.), and is typically less than their standard service rates.

There may be additional costs associated with your repair or replacement.

What is covered by AHS?

There are several AHS Home Warranty packages available during the real estate transaction, making it easy for you to get exactly the coverage you need, at a price you can afford.

AHS Home Warranty packages for your buyers

ShieldEssential

Covers the most critical home systems that are the most expensive to repair and replace (heating, air conditioning, plumbing and more).

ShieldPlus

Covers items included in the [ShieldEssential](#) Package plus many common, major household appliances.

ShieldComplete

Offers the most comprehensive coverage, including the items in [ShieldEssential](#) and [ShieldPlus](#) combined, and some additional home items (like garage door openers and doorbells).

All three packages offer the same high level of coverage across the board,

meaning that even our lowest priced package offers our high level of coverage. Many other home warranty companies only offer their best condition coverage with higher-priced packages. Included in all packages:

- Refrigerant recapture, reclaim & disposal
- Removal of defective equipment
- Permits (\$250 per agreement term) when required during a covered repair or replacement
- Code violations (\$250 per agreement term) when required during a covered repair or replacement
- Failure due to:
 - Lack of maintenance
 - Rust & corrosion
 - Sediment
 - Mismatched systems
 - Undetectable pre-existing conditions
 - Improper installations, repairs or modifications

Optional Coverage

Optional coverage may be added to any buyer package to include:

- Additional refrigerator units (up to 4, including wine refrigerators up to 6 cubic feet)
- Well pump and septic system
- Pool/spa equipment
- Saltwater pool equipment
- Guest Unit (under 750 sq. ft.)

Seller Coverage Option

Selling your home and would like coverage while it is on the market?

Add the Seller Coverage Option in addition to the package you have chosen to offer the buyer and you will get valuable budget protection for many of your most critical home systems while your home is on the market.

NOTE: Subject to a \$2,000 cap for all trades during listing period. Seller Coverage Option renewable upon review after 6-month period, up to 18 months.

NOTE: An AHS Home Warranty covers repair or replacement of many systems and appliances, but not necessarily the entire system or appliance. Refer to Agreement for details.

Protect your biggest investment with industry-leading coverage.

This just simply shows the average U.S. replacement and repair cost for some of the most common items found in your home. When you compare the potential costs of replacing or repairing major systems and appliances, the difference is clear.
